

Covenant summary - OLD 2024

DO NOT USE FOR CALCULATION - retained because prior workbook links point here

This superseded summary refers to an 85% advance rate and earlier reporting language. Amendment No. 2 changed the borrowing-base terms. Use the executed agreement and amendment.

Authority

Executed agreement and Amendment No. 2

Why this file remains

Treasury retained this file to explain old workbook labels and Q1 comments. It is not authoritative.

SUPERSEDED / REFERENCE ONLY

Use instruction

Use the executed agreement and amendment.
