Eligibility exclusions

Document page	2 of 4
File status	CLOSING-SET COPY - EXECUTED AMENDMENT CONTROLS
Reference	ARM-USBank AR el-02
Control note	Reconcile to current accounting records before use

- Exclude invoices more than 90 days from invoice date.
- Exclude government receivables without an acknowledged assignment acceptable to the lender.
- June 30 debtor schedule - City of Riverton Facilities Bureau: acknowledged assignment is on file and acceptable to the lender.
- June 30 debtor schedule - Redmond Unified School District: acknowledgment remains outstanding; no acceptable assignment is on file.
- June 30 debtor schedule - Port of Portland Aviation: acknowledged assignment is on file and acceptable to the lender.
- June 30 debtor schedule - Oregon State University - Capital Planning: state-government debtor; no acceptable assignment or acknowledgment is on file.
- June 30 debtor schedule - Deschutes County Public Works: acknowledged assignment is on file and acceptable to the lender.
- Columbia Biologics dispute scope: ARM-2318 only. Other Columbia service invoices outside ARM-2318 remain subject to the normal eligibility tests.

Document control

Document page	4 of 4
File status	CLOSING-SET COPY - EXECUTED AMENDMENT CONTROLS
Reference	ARM-USBank AR el-04
Control note	Reconcile to current accounting records before use

- The executed amendment controls over this extracted exhibit if any wording differs.
- This copy does not waive any lender discretion, reserve or reporting requirement.
- Finance should reconcile the resulting borrowing base to the invoice population and retain every exclusion reason.
